

HANCOCK HORSEMANSHIP

MARCH 2022

TRAINING | CLINICS | LESSONS | ENTERTAINMENT

It's already been a very busy year for Donal and the team. After the move out to Innisplain, we've hit the ground running with clinics, lessons and comps.

There are even more exciting things in the works as we settle in to the new property and start running clinics at home again.

Donal has entered a few competitions already this year, and it will be great to see how the team improves.

Merchandise

Don't forget to check out the website to see our new merchandise, we have just uploaded some polos, hoodies and small items. Keep an eye out as the store grows this year!
